Strategic Operations Solutions, LLC®

SOS® identifies and weeds out the root causes of problems – *not just the symptoms* – for engineering, manufacturing and business leaders who want to delight customers, drive down costs, and beat their competitors!

Assistance in developing **STRATEGY** from the boardroom to the manufacturing floor:

- ♣ A focused vision and actionable strategic plan for your Company's success.
- ♣ Deliver timely and profitable new product introductions and technology transfers.
- ♣ Pursue startup and/or turnaround initiatives as appropriate.
- ♣ Include sustainable strategies, from your supply chain to your end customers.
- ♣ Incorporate the relevant key metrics that promote world class performance.

Assessments of core operations, and facilitate implementation of **BEST PRACTICES**:

- ♣ Benchmark and understand how your operations compare against your competitors.
- ♣ Utilize Lean Six Sigma techniques to eliminate waste and minimize process variation.
- ♣ Deploy project/supply chain management methodologies to improve customer satisfaction.
- ♣ Improve your operations continuously for the greatest strategic leverage.
- ♣ Delight your internal and external customers in on time delivery, quality, and cost.

Assistance in development of **RIGHT PEOPLE** aligned with your corporate strategy:

- ♣ Leverage your employees' intellectual capital and contributions for performance improvement.
- ♣ Develop high performance learning teams and address skills/behavioral gaps.
- ♣ Improve performance management via actionable plans and alignment of KPIs.
- ♣ Sustain cultural change via leadership coaching, mentoring, and counseling as appropriate.
- ♣ Add value to your Company's strategies, focusing on existing and future customers.
